Subject: Domain Administration proposed policy changes [SEC=UNCLASSIFIED]

Dear Cameron, Alister and Kate

I apologise for the delay in responding to you. Since we received your previous correspondence, we have been conferring on the information we have been given regarding the proposed policy and rule changes.

On the basis of what we have been provided, we do not have any comments to raise about the proposed changes in the context of the competition provisions of the Competition and Consumer Act 2010. However, as I'm sure you will appreciate, this should not be taken as a clearance of the proposed rules or legal advice. In the event concerns are raised in future about the operation of the rules in practice, we may contact you to discuss the rules further.

Kind regards

Gabrielle
