**Sent:** Friday, 12 April 2019 4:59 PM  
**To:** auDA Policy Review  
**Subject:** Submission

I am against the auDA PRP Panel's recommendations except for the FREE COR improvement which should happen immediately.

I will lodge a more formal extended submission.

Please note all of my previous correspondence and feedback and take it as being submissions I wish the Board to be provided.

I concur with the ICA Submission and all of their concerns.

Yours Sincerely,  
Sean Fogarty

Sean
