Are you interested in a summer holiday job where you can help keep Australia's .au domain trusted for internet users around the globe? You'll have the opportunity to combat DNS abuse (for example phishing and malware), investigate suspicious domain name registrations, and handle compliance related audit cases to ensure .au domain names are registered according to the .au rules?

auDA has several 12-week casual Intern positions available from **1 December 2025 to 27 February 2026**.

Who are we?

.au Domain Administration (auDA) manages the .au domain name system (DNS), which is Australian critical infrastructure relied on by internet users in Australia and around the world. We are a not-for-profit endorsed by the Federal Government.

Our purpose is to administer a trusted .au domain for the benefit of all Australians and champion an open, free, secure and interoperable internet.

We support the needs of Australian internet users by:

- Delivering a stable, secure and reliable .au DNS
- Implementing .au policy rules that are transparent, responsive and efficient
- Investing in the Australian internet ecosystem to improve the utility of the .au domain.

The role:

We are looking for passionate IT, Commerce, Business, International Policy or Law students who would like to join us as interns for 12 weeks and help us make a difference by helping us reduce DNS abuse and enhance the integrity of .au domain name registrations.

Successful applicants will work from our office located on Exhibition Street in the Melbourne CBD.

We will provide training and support for our interns to be successful in this role.

Why us?

Working for auDA comes with a multitude of benefits. These include providing you with the required equipment, competitive remuneration, a welcoming culture and an invitation to join us at our staff Christmas party.

Apply now!

Register your interest by 11.59pm, Friday 14 November 2025 by filling in the form via the link below. We would love to hear from you!
